## CATALOGUE 24

ONLY REAL  
ITALIAN QUALITY

	Art.	Description	Version	Size	Qty/Pack.	Code
	001	<b>EAGLE</b> Bibcock with sliding stopper <b>ANCOJET System</b>	with brass hose connection	1/2"	90	0010120
	003		with plastic hose connection		90	0030120
	005		without hose connection		120	0050120
	411	Angle valve with rosette "MI"		1/2" x 1/2"	225	4110120
	413			3/8" x 1/2"	140	411012I
	611	Angle valve with rosette "MI"		1/2" x 1/2"	225	611012L
	613			1/2" x 3/8"	140	611012P
	501	Angle valve with rosette and short nut "PA"		3/8"	225	5010380
				1/2"	140	501038I
	502		with teflon seal	3/8"	225	5020380
				1/2"	140	502038I
	503	Angle valve with rosette and long nut "PA"		3/8"	225	5030380
				1/2"	140	503038I
	504		with teflon seal	3/8"	225	5040380
				1/2"	140	504038I
	505	Angle valve with rosette, long nut and pre-assembled cartridge "PA"		3/8"	225	5050380
				1/2"	140	505038I
	506		with teflon seal	3/8"	225	5060380
				1/2"	140	506038I
	511	Angle valve with rosette "PA"		1/2" x 1/2"	225	5110120
	513			3/8" x 1/2"	140	511012I
	513			225	5130120	5130120
				140	513012I	
	524	Angle valve with rosette, long nut and pre-assembled cartridge "PA"	with teflon seal	1/2"	52	524012I
	525	Connetting pipe kit for angle valve "SUN"		70 mm	75	5250700
				150 mm	75	5251500
				200 mm	75	5252000
				300 mm	35	5253000
	549	Aerator		3/4"	225	5490340
	550	Washing-machine valve with hose connection and non return head		3/8"	75	550038L
				1/2"	85	550038P
	552	Washing-machine valve with hose connection and non return head, for electric water heaters		1/2"	75	552012L
				52	552012P	
	553	Washing-machine valve, right execution, with hose connection and non return head, for side connection, with extension		3/4"	60	553034L
					80	553034P
		Extension mm. 40			225	553034D

	Art.	Description	Version	Size	Qty/Pack.	Code
	554	Washing-machine valve, right execution, with hose connection, nut and non return head, for side connection, with extension		3/4"	60	554034L
					72	554034P
		Extension mm. 50			225	554034D
	555	Washing-machine/Angle valve with non return head, rosette, hose connection and copper pipe connection 10 mm., heavy execution "PA"	with pre-assembled cartridge	3/8"	60	555038L
					52	555038P
				1/2"	60	555012L
	52				555012P	
	556			3/8"	60	556038L
					52	556038P
1/2"	60	556012L				
	52	556012P				
	557	Washing-machine valve, inclined execution, with hose connection and non return head		1/2"	75	557012L
					52	557012P
	558	Washing-machine valve, left execution, with hose connection and non return head, for side connection, with extension		3/4"	60	558034L
					80	558034P
	559	Washing-machine valve, left execution, with hose connection, nut and non return head, for side connection, with extension		3/4"	60	559034L
					72	559034P
	567	Washing-machine valve, inclined execution, with hose connection, aerator and non return head		1/2"	75	567012L
					52	567012P
	571	Washing-machine/angle valve with non return head, rosette, hose connection, copper pipe connection 10 mm. and teflon seal, heavy execution "PA"	with pre-assembled cartridge	1/2"	60	571012L
	572				52	571012P
					60	572012L
	52				572012P	
	575	Washing-machine/angle valve with non return head, rosette, hose connection and copper pipe connection 10 mm. matt polished, heavy execution "PA"	with pre-assembled cartridge	3/8"	60	575038L
					52	575038P
	576			1/2"	60	575012L
					52	575012P
				3/8"	60	576038L
					52	576038P
1/2"	60	576012L				
	52	576012P				
	655	Washing-machine/angle valve with non return head, rosette, hose connection and copper pipe connection 10 mm. "PA"	with pre-assembled cartridge	3/8"	60	655038L
					52	655038P
	656			1/2"	60	655012L
					52	655012P
				3/8"	60	656038L
					52	656038P
1/2"	60	656012L				
	52	656012P				
	671	Washing-machine/angle valve with non return head, rosette, hose connection, copper pipe connection 10 mm. and teflon seal "PA"	with pre-assembled cartridge	1/2"	60	671012L
	672				52	671012P
					60	672012L
	52				672012P	
	675	Washing-machine/angle valve with non return head, rosette, hose connection and copper pipe connection 10 mm. matt polished "PA"	with pre-assembled cartridge	3/8"	60	675038L
					52	675038P
	676			1/2"	60	675012L
					52	675012P
				3/8"	60	676038L
					52	676038P
1/2"	60	676012L				
	52	676012P				

	Art.	Description	Version	Size	Qty/Pack.	Code	
	125	Extension for recessed valve, 25 mm				1250000	
	129	Recessed full flow ball valve	with steel cap	1/2"	8	1290120	
					3/4"	6	1290340
					1"	4	1290010
	130		with zinc-alloy cap	1/2"	10	1300120	
					3/4"	5	1300340
					1"	5	1300010
	131		with brass cap	1/2"	10	1310120	
					3/4"	5	1310340
					1"	5	1310010
	132		with zinc-alloy lever handle	1/2"	8	1320120	
					3/4"	6	1320340
					1"	5	1320010
	133		with brass lever handle	1/2"	6	1330120	
					3/4"	5	1330340
				1"	4	1330010	
	134	with "Delta" handle	1/2"	6	1340120		
				3/4"	5	1340340	
				1"	4	1340010	
	140	Ball bibcock, heavy execution		3/8"	10	1400380	
				1/2"	10	1400120	
				3/4"	8	1400340	
				1"	5	1400010	
	145	Ball bibcock with hose connection, heavy execution		3/8"	10	1450380	
				1/2"	10	1450120	
				3/4"	8	1450340	
				1"	5	1450010	
	170	Ball cock, tapered for wooden wine casks, with padlock ring		10	10	1700100	
				12	10	1700120	
				14	8	1700140	
				16	8	1700160	
				18	5	1700180	
				20	5	1700200	
	172		long execution		10	10	1720100
					12	10	1720120
					14	6	1720140
					16	6	1720160
				18	5	1720180	
			20	5	1720200		
	174	Nozzle for items 140-170-172		1/2" 10-12		1740100	
				3/4" 14-16		1740140	
				1" 18-20		1740180	
	180	Ball valve for washing machine, chrome-plated		3/8"	10	1800380	
				1/2"	10	1800120
